**Breed:** Yellow Lab/Great Pyrenees Mix

**Color:** Yellowish/White

**Details:** Some people think he looks like a yellow lab and others think Pyrenees (he is a combination). In some lights he looks whiter and in others yellower. He is a little bit heavy set and has longer fur than most Labs but is not fluffy. **Please do not chase as he will likely run.** Please just contact us immediately and keep an eye on him/snap a photo if you can.
